Email ( jarmo.havulinna@elisanet.fi ) copy of the bank transfer documents to me for faster chip delivery.

All bank and Western Union charges must be paid by the **payer**.

**2. PayPal**

You can transfer the funds from your PayPal account or your bank account to our PayPal account (jarmo.havulinna@pp3.inet.fi) without any costs. Go to [www.paypal.com](http://www.paypal.com) and make payment to jarmo.havulinna@pp3.inet.fi . We will be notified of the transfer in real time and your order will be processed immediately.

**3. Credit Card using the same PayPal link.**

If you are not yet a member of PayPal you have to register first and give your credit card number at the same time. The procedure takes just a couple of minutes and you can both register and pay with the credit card in the same process. Click the PayPal Visa/Mastercard purchase logo to make the payment. We will be notified of the transfer in real time and your order will be processed immediately.

PayPal automatically encrypts your confidential information using the Secure Sockets Layer (SSL) protocol with an encryption key length of 128-bits (the highest level commercially available). You will not need to share your private financial information (e.g. credit card or bank account numbers) with us during the transaction, so you can complete payment with retaining security. If you want to know more of PayPal visit their web pages at [www.paypal.com](http://www.paypal.com) .

**4. Western Union cash transfers**
